

Fun, fun, fun in Glanrafon!

Fun and games were had by young and old as the tenants from the Glanrafon estate in Llanrwst enjoyed their annual fun day.

The Glanrafon Residents and Tenants (GReAT) Association organised the event on the green in front of the flats last Thursday. Over 50 tenants and children came out to enjoy the fun and games which were supported by Cartrefi Conwy's Community Involvement Team and Conwy County Borough Council's Way of Life team.

The smell of the sizzling barbeque and good weather helped to get people out onto the green and enjoy not only the good food from a local butcher but also the many activities such as a treasure hunt, box-a-cise, spacehoppers, face painting, biscuit decorating and many raffles.

Tilly Goodwin, Chair of GReAT, was very pleased with the turn out.

She said, "We organise a fun day every year but this year decided to try a slightly different approach and have more activities for the children. It has worked really well.

"Our thanks go to Vicky Kelly, Cartrefi Conwy's Community Involvement Co-ordinator, for all her help and support in putting the day together."

Martin Fearnley from Conwy County Borough Council's Way of Life team was also very impressed with the way the day turned out.

He said, "It was brilliant to have everyone joining in with the activities, there was a variety of ages in attendance and it was really good to see the community pulling together to help each other out."

As the fun day ended everyone gathered together to present Phil Evans, the estate's Caretaker, with a certificate of appreciation and a small gift from GReAT to show their support for the work he does.
