

Important Notice to tenants – Rent payments

We have been informed that from today, 27th November 2008, and until further notice, Woolworths will no longer be taking bill payments in their stores.

If you currently pay your rent to us by using your swipe card at Woolworths, you will need to find an alternative outlet displaying the PayPoint logo. Payments made using your swipe card at PayPoint outlets or Post Offices are not affected.

Please contact your Estate Officer or contact your Area Office if you would like to discuss alternative ways to pay (such as direct debit or standing order).
