Day Club Facilities

and

Domiciliary Services

Care Standards Inspectorate of Wales Registered

## Day Club Services

- ◆ Our Day Club facilities can be a **real alternative** to full time residential care and are available to clients who have been referred to us by Social Services, Local Health Authorities or other such agencies.
- ◆ Our **Therapeutic Activities** and programmes are designed to provide a **pleasant and stimulating** day that can **help restructure** the lives of the individual and include: Recreational and social skills, Problem solving, Relaxation, Motivation
- ◆ Our new day centre now also provides **showering facilities** with assistance where required from our trained staff.
- ◆ Laundry facilities are also available.
- ◆ Door-to-door transport can be arranged.

## Domiciliary Services

- ◆ Supportive care in the comfort and convenience of their own home.
- ◆ Person-centred care is based on individual needs, interests and abilities.
- ◆ The focus on daily living skills is conducive to living independently.
- ◆ We aim to maximise the individual's potential with a rehabilitative model of care.
- ◆ By providing support and care within their home, we can prevent inappropriate placement and focus on new beginnings.
- ◆ Registered for up to 200 hours of domiciliary care.
